

MARIENBURG

RESTAURANT QUALITY LUMPWOOD

CHARCOAL

ORGANIC

50 l

Alder 100%

KEY PRODUCT BENEFITS

- Instant ignition - very fast ready to grill time ~ 12-15 minutes
- Flammable liquids are not necessary - essential when grilling premium beef or fish
- Has pleasant natural flavor with great tasting
- Restaurant quality organic charcoal is made only from naturally dried lump wood alder
- 100% chemical free & environmentally friendly product
- 80% customers who try Marienburg stop using cheaper charcoal
- For easy ignition we suggest to use splinters or fire starters
- The charcoal bag of 50 liters is suitable for middle and big size barbeques. There will be enough for 6 –8 barbeques
- High rate of fixed carbon secures longer burning time
- Proper packaging in paper bags with inside plastic layer
